

MY Voice

Project to combat forced labour and child labour in palm oil and garment production in Malaysia

Workers' voice is key!

Corrective Action Planning

The employer's system for addressing labor problems internally and in the supply chain and for making changes to prevent problems from recurring

Preventive Actions

Actions to reduce the risk of labor violations

Corrective Actions

Actions to address the cause of a labor violation and prevent it from happening again

Corrective actions can

- Return the company to compliance
- Prevent recurrence (or future harm)

Corrective actions do not necessarily provide remediation – another necessary step

Remediation

Actions to restore the rights of individuals and groups and repair harm caused to them

Funding is provided by the United States Department of Labor under cooperative agreement number IL-37321-21-75-K. 100% of the total costs of the project is financed with USG federal funds, for a total of \$5,000,000 dollars.
