

MY Voice

Project to combat forced labour and child labour in palm oil and garment production in Malaysia

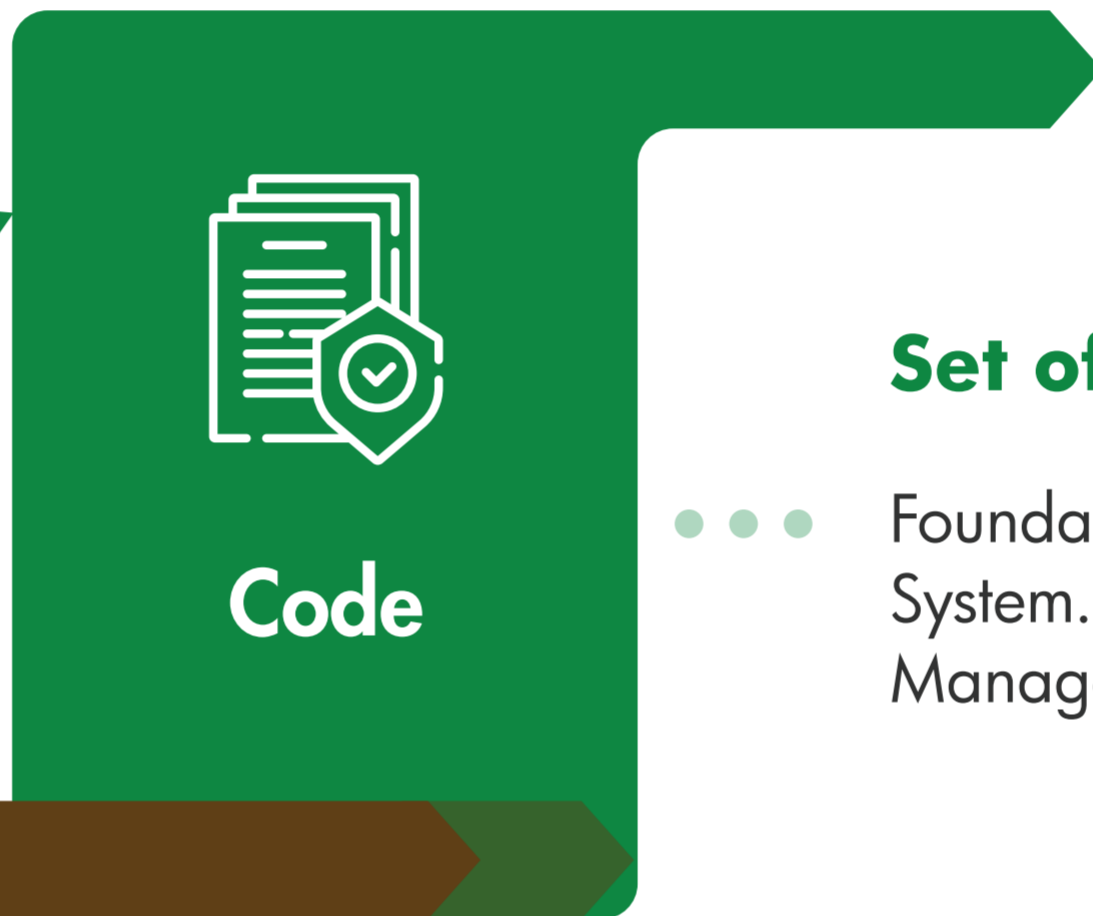

Developing Code, Policy, and Commitments

How the employer defines its principles, objectives, and commitment to social compliance internally and throughout their supply chain

Workers' voice is key!

Set of Policies

- ● ● Foundation of Social Compliance System. Underpins all other Management System categories.

A statement of general principles that the company commits to uphold

- ● ● Basic rules and guidelines for workers, supervisors, and management. Foundation for other company documents (manuals, procedures, etc.)

Instructions that enable the consistent application of rules and policies

- ● ● Clear and detailed instructions or checklists help embed good labor policies in daily operations and ensure uniform enforcement.

Funding is provided by the United States Department of Labor under cooperative agreement number IL-37321-21-75-K. 100% of the total costs of the project is financed with USG federal funds, for a total of \$5,000,000 dollars.
